NCISM & MINISTRY OF AYUSH APPROVED
AFFILIATED TO MAHAYOGI GURU GORAKHNATH AYUSH UNIVERSITY

Mr. Vidya Sagar Pandey

Founder's Message

Ayurveda is the ancient Indian system of natural and holistic medicine. When translated from Sanskrit, Ayurveda means “the science of life” (the Sanskrit root ayur means “longevity” or “life” and veda means “science”). While allopathic medicine tends to focus on the management of disease, Ayurveda provides us with the knowledge of how to prevent disease and how to eliminate its root cause if it does occur.

Chairman's Message

Dear Students, My hearty welcome to all of you who are joining Dronacharya Ayurvedic College, Saharanpur, a splendid temple of learning and one of the Premier Institute of North India in the field of Ayurveda. You are entering into an area of education where the future is promising and full of opportunities.

We are committed to deliver excellence in imparting education, research, practical training, community engagement and healthcare services in the field of Ayurveda with focus on aligning itself with various guidelines and stipulations of the Ministry of AYUSH We are also committed to provide an encouraging environment to see our students develop objective minds sensitive hearts, ethical standards, social awareness and a deep respect for human dignity.

Mr. Arun Kumar Pandey

Principal's Message

The vision of the college is to actively pioneer the students with highest quality of traditional values of Ayurveda. The college strives to advance, innovative teaching methods and research that it can meet the needs of nation in preparation of medicine and management of diseases through Ayurveda. The college is also focused to establish, guide, develop and sustain through resource allocation, good governance and management, dedicated to the maintenance of standards and quality of academic study programmes and practice of Indian System of Medicine to national as well as global needs

Dr. Rajeeva GB

About College

The Dronacharya Ayurvedic Educational Institute & Hospital, founded in 2016, is affiliated with Mahayogi Guru Gorakhnath Ayush University Gorakhpur, Uttar Pradesh. and is one of the emerging Ayurvedic institutes in Saharanpur, Uttar Pradesh, serving as a model institute for developing high standards of teaching, training, patient care, and research activities. The college campus, with a 26-acre campus, is located on the Saharanpur-Dehradun Highway, just a few kilometres from the Saharanpur railway station.

The institution is situated in such a geographical location that it enjoys the cool and pleasant climate of surrounding Hill Stations (Dehradun, Missouri, Shimla) in the summer and the warm temperatures of the Plains in the winter. As Ayurveda traces its roots back to Saints and Rishis living in the Himalayas, the College is only a two-hour drive from the holy city of Haridwar and countless other sacred locations in the Himalayas.

The Institute AIMS & Objectives

Ayurveda is as ancient as history itself. In the golden era of history. India had great universities like Nalanda and Takshshila where Ayurveda flourished. To continue the lofty traditions of Ayurvedic Education, Dronacharya Ayurvedic Educational Institute & Hospital has been set up. It is expected to become an epitome of excellence.

- To promote the growth & development of Ayurveda.
- To produce skilful graduates in the field of Ayurveda.
- To provide Medical Care to suffering people through Ayurveda System of Medicine.
- To conduct Research Activities for future growth of Ayurveda system of Medicine.

FUTURE OF AYURVEDA

With an upsurge of countless grave health issues and limitations of allopathy, Ayurveda has emerged as an alternative. Therefore, BAMS as a medical course is gaining popularity not just in India but all over the world. With almost zero side effects, ayurveda is being increasingly opted by people all over the globe. People suffering from lifestyle diseases also seek help in the traditional art of healing which indicates the growing demand of BAMS doctors.

ACCORDING TO "THE MINUTE"

Ayurveda is becoming even bigger business in India. The industry is anticipated to almost triple in size in the coming years with the market expected to reach US \$9.7 billion by the year 2022.

To,
The Principal,
Dronacharya Ayurvedic Educational Institute & Hospital,
Khushhalpur, Shakumbhari Devi Road,
Distt. Saharanpur-247662, Uttar Pradesh (AYU0551)
E-mail:-arunbandey1984@gmail.com/Conditional Permission

Subject:-Grant of Conditional Permission to Dronacharya Ayurvedic Educational Institute & Hospital, Khushhalpur, Shakumbhari Devi Road, Distt. Saharanpur-247662, Uttar Pradesh (AYU0551) for intake capacity with 60 seats in UG (BAMS) course under section 28 of the NCISM Act, 2020 for the academic session 2022-23 and relevant regulations thereunder-regarding.

Sir/Madam,
With reference to the subject mentioned above, I am directed to inform you that in pursuance of the provisions of National Commission for Indian System of Medicine Act, 2020, the Indian Medicine Central Council Act, 1970 (48 of 1970) has been repealed with effect from the 11th day of June, 2021. With effect from the said date, the Central Council of Indian Medicine constituted under sub-section (1) of section 3 of the Indian Medicine Central Council Act, 1970 (48 of 1970) has been dissolved. Now, in exercise of the powers conferred by sub-section (3) of the section 1 of the said Act, the Central Government notified that all the provisions of the National Commission for Indian System of Medicine Act, 2020 has been come into force with effect from the 11th day of June, 2021. In view of the above the Central Government constituted the Autonomous Boards with effect from 11th June, 2021 and as per regulation 59 (2) of The National Commission for Indian System of Medicine Act, 2020, Medical standards, requirements and other provisions of the Indian Medicine Central Council Act, 1970 and the rules and regulations made thereunder shall continue to be in force and operate till new standards or requirements are specified under this Act or the rules and regulations made thereunder. Further, the provisions of concerned regulations which are inconsistent with the provisions of NCISM Act 2020 shall not be applicable.

- Further, to assess the available facilities of teaching, non-teaching, Hospital staff, practical training and other infrastructure facilities at your college namely Dronacharya Ayurvedic Educational Institute & Hospital, Khushhalpur, Shakumbhari Devi Road, Distt. Saharanpur-247662, Uttar Pradesh (AYU0551) inspection of your College was conducted on 21.07.2022 & 22.07.2022 in a hybrid mode as a part of annual visitation by the visitation team of Medical Assessment and Rating Board, NCISM to process the Conditional permission with 60 seats in UG (BAMS) course under section 28 of the NCISM Act, 2020 for the academic session 2022-23 and relevant regulations thereunder.
- Further, in view of above, the visitation report and all other related documents were assessed in terms of enforced regulation namely, the "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurvedic Colleges and attached Hospitals) Regulations, 2016" and provisions under the NCISM Act, 2020 and relevant Regulations there under, and on the basis of Relaxation policy issued by the NCISM dated 16.03.2022. On examining the same certain deficiencies were observed by the Medical Assessment and Rating Board for Indian System of Medicine (NCISM).
- As per the direction of President, Medical Assessment and Rating Board for Indian System of Medicine (NCISM), the assessment report was placed in the 18th Board Meeting of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) held on 17.11.2022. On careful examination of the assessment report it was found that your college is not fulfilling the notified & approved criteria for Issuing of Conditional permission with 60 seats in UG (BAMS) course for the academic session 2022-23 and Board decided to provide an opportunity of hearing to your college. Thereafter, an opportunity of hearing was granted to your college on 25.11.2022 to present the case through virtual mode.
- The observation of hearing committee based on the submission made by the college representatives during hearing and assessment report of the NCISM have been carefully re-examined in terms of the "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurvedic Colleges and attached Hospitals) Regulations, 2016", and provisions under the NCISM Act, 2020 and relevant regulations thereunder, and once again as per the direction of President, Medical Assessment and Rating Board for Indian System of Medicine (NCISM), the recommendation of Hearing Committee was placed in the 21st Board meeting of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) on 29.11.2022. Board verified the same and found that the College is fulfilling the basic eligibility criteria for grant of Conditional permission with 60 seats in UG (BAMS) course under section 28 of the NCISM Act, 2020 for the academic session 2022-23.
- In view of above, it has been decided by the President, Medical Assessment and Rating Board for Indian System of Medicine to issue Conditional Permission to Dronacharya Ayurvedic Educational Institute
